Sustainable consumption and
Production, Higher Education

Children, adolescents and youth should be made aware of the SDGs through child-friendly education and learning materials-Children, youth, families and communities must internalize how the issues represented by the SDGs affect their own daily lives and environments, whether that be on improving health and nutrition

Who they are

Launched in 2013, the Center for Sustainable Communities serves as an umbrella for existing programs and an opportunity for new initiatives. Focusing primarily on four aspects of sustainability—energy and climate, food and wellness, education and outreach, and land stewardship—our mission is to be a catalyst for sustainable change.

SUSTAINABILITY PROGRESS

(Reduction from peak)

Energy intensity  ↓ 32%

Greenhouse gas emissions  ↓ 56%

Solid waste  ↓ 70%

Mission Statement

Rooted in our call to be good stewards of the Earth and responsible citizens in the global community, the mission of the Center for Sustainable Communities at Luther College is to promote sustainability and be a catalyst for change on campus and in the region through education, outreach, and collaboration.
